Thanks Kerry. Do we have an up-dated list of the top 14? If so, can you forward to me?

Pete

TO: Department of Mental Health

I understand a referral has been made to review the possible candidacy of Robert Anthony Blake, 12/1/83, for the Assisted Outpatient Treatment program.

I am sending along a memo which documents some of the interactions between our BID Patrol officers and Mr. Blake. This may prove useful as you review his case and make a determination as to whether AOT would be appropriate.

We are very excited to learn of the implementation of the AOT/Laura's Law program in LA County. Thank you for considering this.

Kerry Morrison
